## WHO WE ARE

Established in 2008, we are a U.S. immigration advisory and legal services company. We specialize in legal process outsourcing of non-core immigration services, including drafting of transactional portions of immigration petitions, assembling immigration applications, spotting red flags, quality control review, and more.

We operate in the sweet spot where traditional immigration legal services and offshore legal process outsourcing teams meet. Offering decades of combined experience, our team offers you the integrity of big immigration law firms and the affordable pricing of offshore LPO firms.

## LEGAL PROCESS OUTSOURCING SERVICES

Legal process outsourcing is the secret ingredient successful immigration law firms use to deliver astonishing success while handling seemingly endless clients. Done right, LPO for immigration petitions can be a high-value component of the process for not only firms but also for in-house legal teams and solo practitioners, saving them significant resources.

### FOCUS ON MORE VALUE

Our wide range of immigration LPO services allow you to keep your core resources focused on more important tasks than writing memos and letters, proofreading documents, examining client documentation, etc. Let them focus on more value creation while we take over the administrative tasks for your clients' applications.

## DELIVERING VALUE LIKE NO OTHER

**IMMIGRATION LAW FIRMS, IN-HOUSE LEGAL TEAMS, & SOLO PRACTITIONERS** can derive endless value and benefit from our LPO services, significantly cutting down costs per application, retaining in-house personnel for high-value tasks, and still create superb value for clients with lightning-fast turnaround times and no compromise on application quality.

## OUR LPO SERVICE BUNDLES

We offer innovative **Pre-Filing, Communications, Preparation, Assembly,** and **Post-Filing** service bundles designed to optimize your current immigration functions. Our service bundles are designed to boost efficient use of every client's time and resources while eliminating no-value work. Offering exceptional value, we believe BlackHawk is uniquely positioned to deliver you cost-effective LPO solutions.
